**Sanjay D. Ghodawat**  
President

Quality and world class education is the hallmark of an advanced nation. I have always felt that our country has to do a lot of catching up in this area. Sanjay Ghodawat University was born out of this yearning to contribute to the nation's education sector.

Sanjay Ghodawat University today accommodates students from all backgrounds with the vision of channeling their potential to be used for the society, nation and our world. We have gone out of our way to design a curriculum in tandem with the industrial needs, we have given a wide choice of subjects to students to encourage inter-disciplinary approach, we have a team of experienced and qualified leaders, teaching staff & support staff who go out of their way to be mentors to students and to top it all we have a plush campus replete with state of the art infrastructure that is conducive to the teaching - learning process.

I thank all the parents, students and well wishers who have put their trust in our University. We are here to partner with you to bring about a synergistic outcome which will be that of empowered youths and an empowered nation.

Sanjay Ghodawat University (SGU), Kolhapur is one of the progressive universities in South-West India, in the vicinity of three states. The university has been established as a State Private University & part of Sanjay Ghodawat Group, a strategically well-diversified Group with a global presence in diverse sectors. The academic programs of SGU are innovative, unique & designed to secure a successful professional career within India and globally.

All our programs offer a number of work placement and internship opportunities to ensure our graduates are fully equipped with adequate skills and capable of starting work immediately or entering the entrepreneurial world with confidence. We do this through innovative academic deliveries such as project and design - based learning, strong industry engagement and outstanding positive student experience.

All our decisions at the Management level are taken with keeping the students' overall well being and development in mind. Education's highest aim is character development and that is what all the curricular, co-curricular and extra - curricular activities are aligned to do at SGU. We welcome you to your better future at the Sanjay Ghodawat University.

## About University

**Sanjay Ghodawat University** was established as a State Private University in the year 2017. Previously it was Sanjay Ghodawat Institutes formed in the year 2009 by the Chairman of SG Group, Sanjay Ghodawat. The Institute had received NAAC A grade and also its programs were accredited by NBA and after this the natural progression was the evolution of Sanjay Ghodawat University.

The University was formed to accommodate more students and give them a variety of choices for their career path. The University offers UG, PG and PhD programs in Engineering and Technology, Commerce and Management, Computer Applications, Design, Physical and Chemical Sciences, Media, Allied Health Sciences, Pharmacy and Legal Studies (Law)\*proposed.

The USP of the University is its curriculum in tandem with the requirements of the Industry plus choice based credit system that allows students to choose major as well minor in the subjects of their choice. It encourages multi - disciplinary approach that helps students' creativity and productivity. The University also offers hand on experience with establishment of Tata Technology Centre, Mechatronics Lab Car, BOSCH Collaboration Centre, Centre of Space and Atmospheric Science etc.

The University campus is a state of art facility provided to students to help them study in a pristine environment. The 165 acres campus is replete with facilities like spacious classrooms, smart classrooms, well equipped labs, food court, amphitheatre, stadium with flood lights, swimming pool, horse riding, tennis court etc.

The School of Commerce and Management, SGU was recognized as Top Emerging B School by Times B School Survey 2020. School of Technology, SGU Ranked 4th in Top Emerging Engineering Institutes of the Nation, 9th in Placement Category and 2nd in Research Capabilities by Times Ranking 2020
