Sanjay D. Ghodawat
President

Quality and world class education is the hallmark of an advanced nation. I have always felt that our country has to do a lot of catching up in this area. Sanjay Ghodawat University was born out of this yearning to contribute to the nation's education sector.

Sanjay Ghodawat University today accommodates students from all backgrounds with the vision of channeling their potential to be used for the society, nation and our world. We have gone out of our way to design a curriculum in tandem with the industrial needs, we have given a wide choice of subjects to students to encourage inter-disciplinary approach, we have a team of experienced and qualified leaders, teaching staff & support staff who go out of their way to be mentors to students and to top it all we have a plush campus replete with state of the art infrastructure that is conducive to the teaching - learning process.

I thank all the parents, students and well wishers who have put their trust in our University. We are here to partner with you to bring about a synergistic outcome which will be that of empowered youths and an empowered nation.

Renewing Our Future

Sanjay Ghodawat University (SGU), Kolhapur is one of the progressive universities in South-West India, in the vicinity of three states. The university has been established as a State Private University & part of Sanjay Ghodawat Group, a strategically well-diversified Group with a global presence in diverse sectors. The academic programs of SGU are innovative, unique & designed to secure a successful professional career within India and globally.

All our programs offer a number of work placement and internship opportunities to ensure our graduates are fully equipped with adequate skills and capable of starting work immediately or entering the entrepreneurial world with confidence. We do this through innovative academic deliveries such as project and design - based learning, strong industry engagement and outstanding positive student experience.

All our decisions at the Management level are taken with keeping the students' overall well being and development in mind. Education's highest aim is character development and that is what all the curricular, co-curricular and extra - curricular activities are aligned to do at SGU. We welcome you to your better future at the Sanjay Ghodawat University.
